Lofoten Exhibition 2022 - Chairmans message

As leader of the 7th Lofoten Exhibition it is a great pleasure for me to thank you all photo friends around the world again, for having done this world's northernmost salon to a big success!

This years salon has also been hold under rare conditions regarding to the Covid-19 situation in the world. We was predicting restrictions in Norway so we were using highly qualified local judges so this years selection of pictures is holding a level of quality above the expected. That's of course made possible by all the stunning photographs that you all have sent to us!

Thank you all so much and take care! Stay healthy and make new wonderful photos from your neighborhood!

To make this salon a reality, I have had many talented employees with me, and they have done a fantastic job. I am grateful and full of admiration for their efforts.

I must also comment the fantastic judges who conducted the evaluation of all images with great conscience.

Congratulations to you all for fantastic results and stunning photos!

We can tell you that we already have recognition for the Arctic Exhibition 2022 who will be held in October 2022 with three sections. Open Color, Open Monochrome and Landscape.

Arctic Exhibition Team will also return in 2023 with new exhibitions!

Stay tuned on www.arcticexhibition.no and www.lofotenexhibition.no for more information, and of course, we will send information to each of you on email.

Thanks all photo friends!

With best regards,

Olav-Inge Alfheim
